National's focus is providing temporary financial assistance to eligible members during times of financial crisis or weather-related emergencies and natural disasters and promoting awareness and knowledge of the program.

Support fundraisers sponsored by your department and units.

Make a personal donation Auxiliary Emergency Fund. Donations of \$50.00 or more will receive a pin requested by your Department from National Headquarters.

Place a donation can in your local post.

Water bottle can collection donations: Hand out a 20oz bottle of water at a meeting to all members and ask them to return the bottle filled with coins to the next meeting or at the end of the year. A 20oz bottle filled with dimes adds up to almost \$100.00. Suggested label for bottles: American Legion Auxiliary Emergency Fund Members Helping Members Unit #.

Please report all you are doing to raise funds for the Auxiliary Emergency Fund and amounts for reporting to National.

I will have more information at the Fall District Conferences.
