American Legion Auxiliary." Service not Self"

- Be a successful volunteer for the service programs.
- Units could have a "tool box" in the Legion home for all to put their community service actions in each month.
- Join a project, make a project, and or sponsor a project.
- Organize and participate in service projects with our Veterans and their families, schools, our community assisted living centers, and nursing homes.
- Attend and represent the American Legion Auxiliary in community events such as parades.
- Be visible - wear your emblem as a partner in the American Legion Auxiliary (Branding).
- Partner with local grand openings of community facilities.
- Deliver meals to home bound people on holidays when the Meals on Wheels programs may be closed.

Service not Self,
