

# \$ PLEASE READ! \$

At the National Convention held in Reno, NV the delegates voted to increase the National Senior dues from \$9.00 to \$12.00 (an increase of \$3.00) and the National Junior dues from \$1.25 to \$3.00 (an increase of \$1.75) effective in the 2019 ALA Membership year.

How does this affect your Unit? Instead of sending to Department \$15.00 for each Senior member you will now need to send in \$18.00 and instead of \$3.00 for each Junior member you will now be required to send in \$4.75 starting August 1, 2018 for the 2019 ALA Membership Year.

If your Dues are less than \$18.00 for senior members and \$4.75 for junior members, your Unit should meet and vote a dues increase adjusting your unit dues accordingly so you will be sending in the correct amounts for the 2019 year.
