What is ALA Granite Girls State?

ALA GRANITE GIRLS STATE is a practical application of Americanism and good citizenship accomplished through non-political lessons. These lessons inculcate in our citizens a love of America, knowledge of their government, an a sense of individual obligation to their community, state and nation.

ALA GRANITE GIRLS STATE follows New Hampshire's governmental procedure as closely as possible. The girls learn about our two-party system. They learn the duties, responsibilities and powers of various offices. They hold party caucuses and have primary and general elections. ALA GIRLS STATE citizens elect town, city, county and state officials and conduct city, town and county meetings. As senators and representatives, they introduce, debate, and vote on bills.

Girls from communities throughout the state attend ALA GRANITE GIRLS STATE. They learn the important lessons of democracy, patriotism, love, loyalty, learning, truth, and service. They make everlasting friendships. They have the opportunity to learn that government is just what they make it. They learn the duties, privileges, rights and responsibilities of American citizenship.
