Mission: To protect and support children and youth, particularly the children of our military families and our veterans. The ALA members fulfill our brand promise of being there for our communities and military families. We will promote a program benefiting children each month.

This year we will focus on the safety of our youth. We will also promote our programs such as Halloween Safety, National Family week, Christmas and Children and Youth Month and family Safety ID.

Action Steps: Provide information about child health and safety relating safety at home, bike and fire safety youth suicide and drug use.
