Re: Commander's Project

This year I will focus my project in collecting monies toward our Children and Youth. All monies donated will be labeled "Commander's Project" and be deposited into our Children and Youth Committee Fund.

The committee will be responsible for the dissemination of the program information to the Posts and Districts and to recommend matters of American Legion policy designed to assure care and protection for the children of veterans and to improve conditions for **ALL children and youth** with due concern for maintaining integrity of the family home, preventing social and physical ills of children and youth where possible.

The committee will establish appropriate awards criteria for the purpose of promoting interest in the Children and Youth programs of the Department of New Hampshire.

**My plan is to release these funds on a District level for activities/events and individuals that meet the above criteria.**

**Legion Family members may contact the Committee Chairperson or myself to solicit funds for a particular activity or individuals.**
