*Press Release*

*Donation of Electric Wheelchair*

15 July 2024

On Sunday, 14 July 2024 Danielle Pierpont donated an electric wheelchair to American Legion Harriman-Hale Post 18's Veteran's Relief Fund and effort.

The wheelchair is designed for a person of moderate weight who has major mobility difficulties. The Post will provide the chair to a veteran in need. Gifts such as this help veterans of moderate means but in need of mobility assistance.

Post 18 also has several traditional wheelchairs that are available for veterans.

Danielle Pierpont with Harold Chamberlin, Post 18  
Sergeant-at-Arms
