The 99th National Convention will be held in Reno Nevada, August 18 – 24, 2017. The Department of New Hampshire will be staying in the Grand Sierra Resort and Casino Hotel, 2500 East Second Street, Reno, NV 89595. I recommend to those of you wishing to go to this convention this year that you start making plans now. https://www.grandsierraresort.com/

The cost per night is \$115.00 + 13% tax + \$2.00 Tourism Tax = \$132.00 a night. I have King and Queen rooms available. Right now I have 23 rooms assigned to this Department. However the Keene Band from Post 4 has decided to join us this year and will also be competing in the National Band Competition along with joining us in the parade. This requires me to adjust for an extra 17 rooms. Last year the Department ended up paying almost \$2000 extra for rooms not used based on our contract and I do not want that to happen again this year. We always enjoy having them with us, and they always find the time to entertain us during the convention at some point.

There is free parking and valet parking available at the hotel. This particular Hotel has a lot of amenities available within the hotel to include many restaurants, activities for the family, and of course gambling.

I am attaching a copy of the housing form, which needs to be back to me with a one night deposit by July 1, 2017.

The banquet tickets this year will be \$47.00 a piece. I need people to get back with me as soon as possible on how many tickets they might want. I originally will order 30 tickets, but if there is more that want to go, I need those numbers before national sells out. After that it is first come first serve for any tickets that departments might have left over.

There have been some questions brought up about new legislation adding the \$1.00 ticket. There are two different sides of view on this change. The below has to do with new legislation on this change. **NOTE:** The below information is not sourced from the American Legion, but information forwarded from another source in favor of the change.

New Legislation to **Help** New Hampshire Charitable Gaming

Did you Know that New Hampshire:

- •Has Limited the Lucky Seven ticket price to \$.50 for 42 Years.
- •Is the *only state in the entire country* that has not allowed \$1.00 tickets.

- •Paper *manufacturers* make *double the profit* on a \$.50 paper ticket over the \$1.00 ticket!
- •Every single paper ticket manufacturer in New Hampshire takes that extra profit out of the State of New Hampshire!

New Legislation:

- •Will allow the sale of \$.25, \$.50 **AND**\$1.00 tickets!
- •Will allow Charities to double their profits!
- •Will keep more hard earned dollars from paper ticket sales in New Hampshire!
