CHAPLAIN

2020-2021 Plan of Work

Start and end all meetings with a prayer.

Please get the information about the sick, or depressed members who need cards of encouragement.

As soon as possible, report all deceased members to Department at: nhalasec@legionnh.org

Drape your charter for these deceased members.

Send cards to members: sympathy, get well, thinking of you, etc.

Preform a memorial service for deceased members once during the year.

Send in your deceased member list (enclosed) with your annual report, noting if that member was a charter member, unit president, district director, or department officer.

Find out who your shut ins are and send them sunshine cards - it makes their day - or try to make time for a personal visit. Keep track of all you do for members and include your activities in your report.

Be sure to ask for prayers for the Department President’s Prayer book and get them to me. A favorite prayer, especially one they have written themselves, or inspirational poems or stories. All are welcome

Yours in His Love

Linda Lapoint, Department Chaplain
