- In all 50 states the American Legion Auxiliary proudly host ALA Girls State, an amazing week of learning focused on responsible citizenship and love for God and country.
- ALA Girls State delegates are a diverse group of young women with a shared desire to learn and lead. ALA Girls State “citizens” come together from small towns, big cities, and rural areas to hold ALA Girls State elections, and their varied backgrounds set the stage for a week of spirited, experiential learning.

What can you do?

Encourage Unit members to solicit donations from other organizations or businesses to sponsor ALA Girls State citizens, thereby educating them about the program.

Have your membership chairman send ALA Girls State brochures with membership renewals.

Increase networking with schools (charter, private and home schools) that have no active Units in their communities. Send ALA Girls State information to your local schools as early as possible, before the candidates can make plans, and enabling them to schedule time off if they are already working. Send flyers promoting the Samsung scholarship in the packets to your schools.

Write an article for your local media that includes the Samsung Scholarship information.

Encourage Unit members to attend the District Orientation with the Unit Candidates.

Utilize social media and written media to increase awareness and visibility of ALA Girls State. Create a Unit Facebook, Twitter and Instagram account and “Like” your Department ALA Girls State Program page and the ALA Girls Nation page. Create and use Hashtags on social media.
