Start and end all meetings with a prayer. Prayers may come from unit handbook or the chaplain's prayer book from Emblem Sales. Send cards to members: sympathy, get well, thinking of you, birthdays, anniversary, and caregivers. Send sunshine cards to shut-ins or make a personal visit.

Report all deceased members as soon as possible to Department: [nhalasec@legionnh.org](mailto:nhalasec@legionnh.org) State if they were unit President, District director, or Department Officer. Drape your charter for these deceased members and keep track of how many through the year.

Perform Memorial Service for deceased members during the year.

Ask for prayers for the President's prayer book and send them to me with their name and unit #. A favorite prayer, one they may have written. Also, inspirational quotes and poems are welcome.
