The country this year is Germany.

There will be a Doll Dressing contest at the Mid-Winter Conference. The winning doll will be given to our Department President, Terri Ouellette, with the maker's permission.

I would like to involve the Juniors as well. Their Doll Dressing contest will be at their Convention in May - As will the scrapbooks made by Junior members.

If you have any German recipes, please share them with your Unit members. (And me, if you would, please)

If you have traveled to Germany and/or you have photos to share, that would be great.

I look forward to seeing all the wonderful scrapbooks I know you will work on throughout the year.
