

American Legion Auxiliary Granite Girl State is proud to announce the 75th annual session of Girl State. Our 2019 program will take place from Sunday June 23, through Saturday June 29th, on the campus of Franklin Pierce University in Rindge, NH.

The ALA Granite Girls State program is based on New Hampshire state government at town, city, county, and state levels. Each girl has a chance to learn that government is just what she makes it. She learns the duties, privileges, rights and responsibilities of good citizenship. During the week, girls are afforded the opportunity to run for various offices and by the end of the week, elect one citizen to serve as Governor.
