

## ALA Granite Girls State/Education Director

We just celebrated the 75<sup>th</sup> session of ALA Granite Girls State along with 60 years of Ann G. West as Education Director! Congratulations! Since we probably will not be able to keep Ann for another 60 years (perhaps 5, 10 or 15) a committee has been formed to begin the process of looking for Ann's successor as Education Director. This position will involve spending the week at Granite Girls State and **MUCH** prep time prior to that week. It also includes preparing the two (2) candidates for Girls Nation.

We will be accepting resumes of any who are interested in this position and will be opening up to the Legion Family as well as outside educators. They will be working closely with Ann over the next few years as an 'assistant/intern' Education Director learning from her and absorbing as much as they can.

We expect this decision to take some time and we will not rush it. We may be very fortunate to find the right candidate immediately or it may take us many months or even a year to find her.

Any questions and resumes can be sent to: Paula Ross, Chairman; PO Box 303, Stoddard NH 03464 or email [tsr95@tds.net](mailto:tsr95@tds.net). 603-731-0415
