January 20, 2020

ALA members,

It was great seeing everyone at Mid-Winter in Rochester. What a wonderful time we had. I thoroughly enjoyed listening to our ALA Granite Girls Nation Senators chosen to represent New Hampshire.

We got to hear about Commander Brooks’ project, Honor Flight New Hampshire, my own project, Warriors at 45 North, our Detachment Commander spoke about his project, Children’s Miracle Network and our Honorary Junior President Hannah O’Neil spoke on her project, Mission 22.

The Poppy Corsages were beautiful, I look forward to wearing mine and the dolls from Scotland were done with love and care. What wonderful imagination and craftmanship we have in our members.

We look forward to assisting the American Legion in the Senior and Junior Oratorical, some Districts have already chosen their representatives. This is a wonderful program and I look forward to it every year. This is part of the Americanism Program. If you have never been, it is amazing what the young people can do and realizing the benefits of obtaining scholarship funds for their continuing education. Check out the Dates to Remember to see where the program is taking place in your District or call your District Commander. Did you know that the winner of the Senior Oratorical represents the Department of New Hampshire in Indianapolis?

Stay Safe, Stay Warm,

Celebrating 100 years of Service,

Linda Dupont, President
