

Are you a motivated member interested in serving a national committee position during the 2022-2023 administrative year? National committee chairs and members are appointed annually and confirmed by the National Executive Committee to serve on a wide variety of ALA committees for you to explore.

The goal is to match skill sets and talents that best complement the Auxiliary's mission of serving veterans, the military, and their families. Some committees, like ALA Girls Nation, Veterans Affairs & Rehabilitation (for the National Veterans Creative Arts Festival), and Junior Activities require physical agility and endurance.

You need not have served as an officer in your district or department to be eligible for an appointment, and male spouse ALA members are welcome to apply.
