

Hi All.

Just wanted to let you know that with the approval of President Dupont, I have reached out to the New Hampshire Veterans home in Tilton to offer our assistance during these trying times.

I did receive a call back for the Commandant's assistance this morning.

She referred me to following web site helpnhvh@nh.gov.

Please pass this on to your units as well as the entire Legion family.

It is very important to let these people know we are here for them.

Thank you so much, please have a safe and happy holiday season.
