The American Legion Auxiliary is excited to introduce a new member benefits provider that can be used by everyone from individuals up to the ALA department (state) level — Shipthriftly.

Shipthriftly is the easiest way to compare shipping prices and print shipping labels from home or anywhere. Whether you ship to family members or friends, ship for your business, or want to host a military care package event, use Shipthriftly to save time, money, and hassles.

Shipthriftly believes in empowering people through shipping. With over 900 tons of packages shipped at a 99.9% success rate, Shipthriftly is an expert at fulfilling shipping needs for those looking to ship 1 to 1,000 packages. ALA members have access to the free-to-use site that allows you to:

- Easily create shipping labels online and print them from anywhere
- Skip waiting in lines and handwritten customs forms
- Save addresses for future shipping
- Access discounted rates
- Easily ship anywhere, including military bases and overseas

Shipthriftly also puts a focus on helping our military families. They are DOD vetted and approved through Military OneSource, regularly attend pre-deployment meetings to educate servicemembers and their families about shipping requirements and ways to save money, as well as volunteer time at care package events to support our troops.

The holiday season is fast approaching, and it's not too late for American Legion Auxiliary departments and units to utilize Shipthriftly or host a military care package drive. These boxes of goodies show our support of military families while also improving the morale and happiness of troops worldwide.

For specific shipping questions or to learn how to start your own care package drive, contact the founders of Shipthriftly — Michelle and Rob Williamson — at contactus@shipthriftly.com or [800-544-4992](tel:800-544-4992).
