

Good morning – I hope you all enjoyed the wonderful weather over the weekend.

As I returned to work this AM, there were two requests in my inbox and I'm sharing to see if any organization could support:

- You probably know we have a luncheon for our blind and visually impaired Veterans twice a year. It is usually paid for by the Blinded Veterans Association NH chapter, but their funds are more limited this year. Would any organization like to get help supplement their upcoming holiday luncheon on Dec 9.
- We are very low on grocery cards – if any organization would like to donate grocery cards, that would be extremely helpful to our Veteran population.

Any help is appreciated.
