

Membership

As we come to the end of 2019 we must look to renew our membership for 2020. Membership is the lifeblood of every organization, without it every organization cannot survive. November is renewal month. We need to get people to renew their membership. This means we need to go and contact our members, whether it is by phone, at their home, or if we see them at the post or squadron function.

Currently the Detachment of NH ranks 53rd out of 55 detachments with 15.3% of our membership goal for 2020. Our next target date is November 14th, which is 35%. I 'am asking that all squadrons send in a transmittal so that we can get them into national.

Recently at the Fall NEC meeting in Indianapolis it was announced the S.A.L has the ability to submit transmittals online through mysal.org. With this new feature it can help us improve our rankings nationally. Any questions on this new feature, or if you want to learn more about online transmittals, you can email me at merrillscott33@gmail.com, or at 603-303-1091.
