ADVOCACY

"We believe the value of Troops to Teachers cannot be understated. It provides employment assistance to transitioning veterans, which aids in lowering veteran unemployment; it alleviates nationwide teaching shortages, which improves education quality; and it increases access and representation among traditionally less-represented groups to teaching careers. Allowing the Troops for Teachers program to sunset would go against America's critical need to support our children's education."

-Joint letter to the House and Senate Committees on Veterans' Affairs from a coalition of veterans service organizations, including The American Legion, calling for reauthorization of the program after it was initially dropped from the National Defense Authorization Act of 2022; compromise language to save the program was installed by Congress and passed in December, assuring the program will continue at least through 2025.
