

To all Post and District historians:

As the 2022-2023 Department of New Hampshire historian, I will assist any historian in the instructions of a Post or District narrative or history yearbook. The instructions for both are very similar and located in The American Legion Officers Guide and Manual of Ceremonies under Appendix entitled "Post Histories" and "Outline for a One-Year Post Yearbook". Tips are provided for compiling the information needed. Also, on the NH website, under the "Resources and Forms" tab is the form for submitting for the Herberta Stark yearbook award (**HERBERTA STARK MEMORIAL HISTORY YEARBOOK CONTEST RULES**). Herberta Stark (Post 33) was New Hampshire's only National Historian in 1983-84.

The narrative and history books can be assembled throughout the 2022-2023 year and sent to HQ for judging. One Narrative yearbook and one History yearbook will be selected, certified and forwarded to National for judging.

If you wish to participate, I can be contacted at the below.

Tom Wiley, Department Historian
