**BOYS STATE MOVIE**

The award-winning documentary “Boys State” about the American Legion Texas Boys State program, is on Apple TV+ as of August 14th. Boys State” follows four delegates at the 2018 Texas Boys State program. The film, directed and produced by Amanda McBaine and Jesse Moss, won the Sundance Grand Jury Prize in January. “The perspective of folks who aren’t as invested in the program as we are or as the Legion is helps to validate what we always knew: boys state and Girls State programs around the country really, truly make an impact and spur talented young people to become leaders in their communities,” said, Daren Brabham, Texas Boys State’s assistant direct of media relations. “And we’re happy there’s a film now that captures that.”
